## IN MEMORIAM

# Edmund J. Galla

October 14, 1923 - September 1, 1979

*FENWICK LOSES MR. GALLA* by Bill Clements: Fenwick, until last month, had its own version of that venerable, beloved instructor of young students at Brookfield Prep-Mr. Chips.

His name was Mr. Edmund Galla. His students always joked about the sameness of his dress. But, as with Mr. Chips, Mr. Galla saw little importance in outside attire. He placed more emphasis on the inner qualities of the person. His students were treated accordingly. Mr. Galla saw his boys first as people, with feelings and problems, and second as mere Latin students.

Mr. Galla spoke often about his experiences in Europe during World War II. He served as Chief Signal Corps Officer for the United States Army in China. He also served time in India. Mr. Galla considered this period the high point of his life. He always stressed how Eastern cultures are so beautifully simplistic. Many times the beloved teacher stated that even though in this country we may be more economically and technologically advanced, in reality we are far behind Eastern civilization.

In Mr. Galla's class, we learned not only Latin, but also Greek, Roman mythology and insights into life in general. He considered of prime importance the time he spent studying Latin and Greek at Loyola University before World War II, and at the University of Chicago after the war. He frequently stressed to us the importance of learning, not just for the sake of earning an "A", but for learning's sake.

Mr. Galla often said that he wished he could teach a class that was not hemmed in by the conventional grading system. He repeatedly stressed this opinion because he wanted us to realize that each individual has a great potential and should take advantage of the chance he has to learn, an opportunity many people don't have, but desperately want.

The last time I spoke to Mr. Galla, he had fire in his eyes and an extra quick step to his walk. He was very excited about the oncoming school year. He told me, "Those kids better get the hell out of the way, because I'm coming!"

Our own Mr. Chips never missed a chance to add a little levity to his classroom. He often would joke about the perpetually sloppy appearance of a certain student, or about the class's performance on a test. Many times he would even make jokes concerning his family. Mr. Galla might put on a comically worried face and rhetorically ask us what to do about his son, Matthew, who was always being sent home with notes from his teachers dealing with his "disruptive behavior" in class. Or he would laughingly offer to pay any one of us to take his daughter Kathy to the prom. (After meeting Kathy, I would venture to guess that neither Mr. Galla nor his daughter ever had trouble in this area.)

One look beyond the jokes, however, reveals the deep love that Mr. Galla had for his family. Aside from teaching at Fenwick for the past 17 years, Mr. Galla worked for the Chicago Messenger Service the past four years. This side job consisted of delivering packages to various places. Every night after school he would make a delivery to O'Hare Airport. He also held a job as a social worker in the city for a brief period of time. In addition, Mr. Galla owned and rented out a four-flat apartment building. Because outside help was too expensive, he worked on rehabilitation of the building by himself.

Mr. Galla made tremendous sacrifices in order to provide the best for his family. His son, Matthew, is in the eighth grade at St. Helen's grammar school on the near Northwest Side. His daughter, Kathy, graduated from the Academy of the Sacred Heart last year, and hopes to enroll at the University of Illinois, Circle Campus, next semester.

Too few people in the world today selflessly sacrifice so much of their time, talent and effort for the benefit of others. When such a person does come along, he should be recognized as an exceptional human being. Mr. Galla was that sort of an exceptional person. Although he is gone, the memory of him will remain with all of us and influence us for as long as we live. He truly was our Mr. Chips. (*The Wick, October, 1979*)

# Fenwick

Through these doors a young boy I walked,  
Youthfully uncertain of my fate.

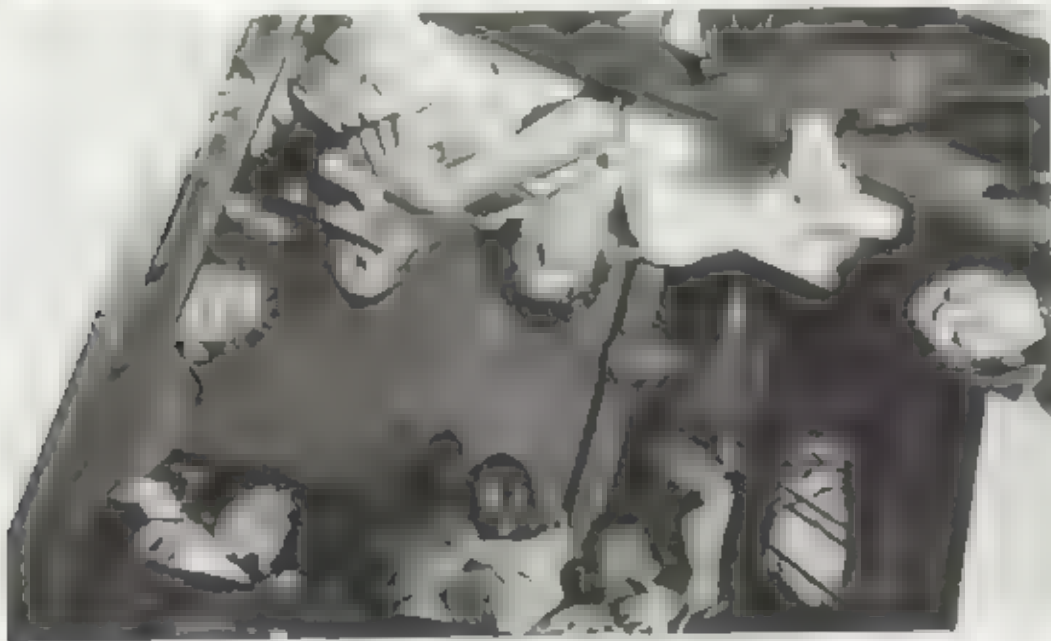

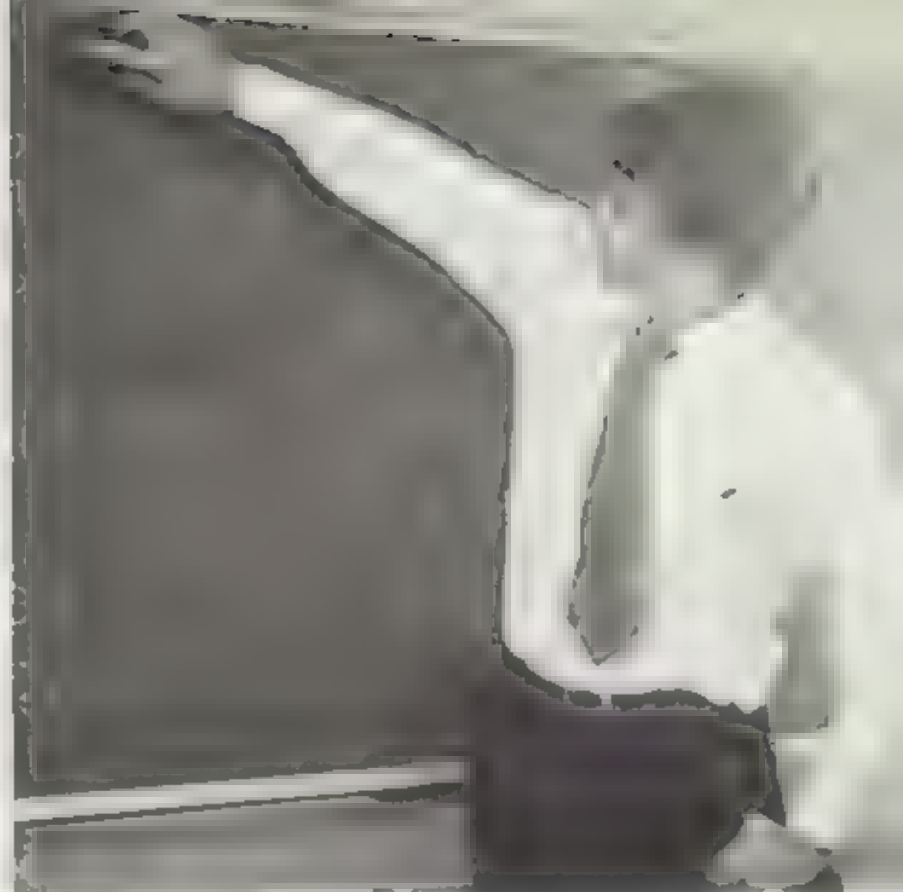

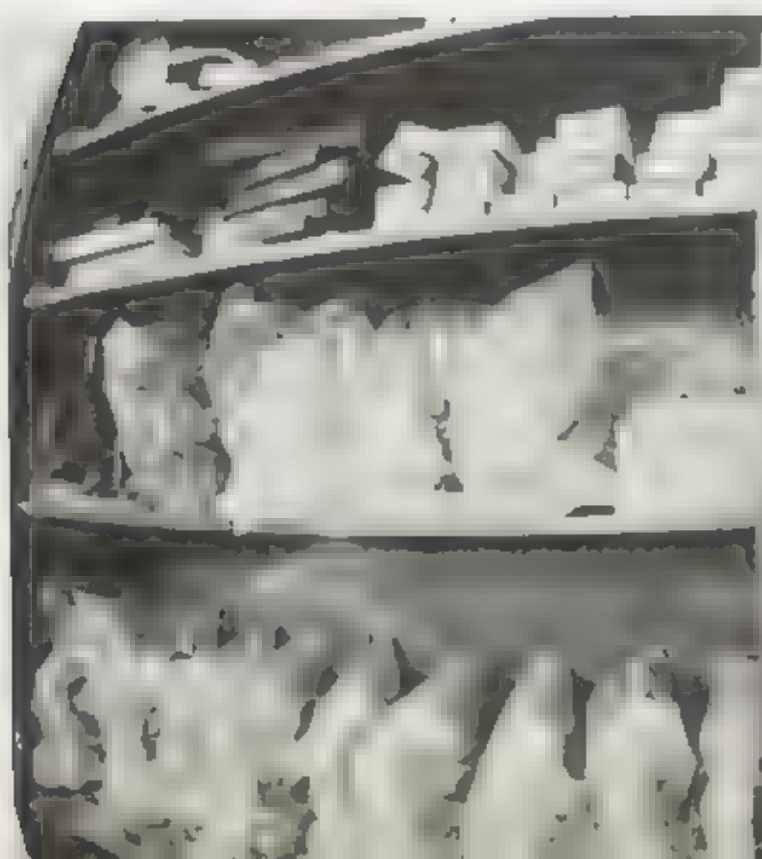

**Will I succeed? Will I take hold,  
And join those whose accomplishments seem bold?**

In the time that passed there how I grew —  
Both in body and mind as well.

My thoughts were opened, I challenged the world,  
And began to pull myself up when I fell.

**I exit through these doors as a young man  
Armed with the teaching only Fenwick can give.**

**For in this school I was taught not just to exist —  
More importantly, I learned how to live.**

# Football Makes State Playoffs

Something special. This best describes the 1979 Friar football season. After two successful seasons under Coach Badke, some may have thought things looked grim when he left. However, something special happened; Jack Dering came to Fenwick. This man ignited the team into a winning spirit seldom seen in the past. Of course, this could not have been accomplished without an excellent group of players. This spirited team displayed superb technique and comradery in winning the Catholic North Section and advancing to the State quarter-finals.

In Arlington Heights, the Friars put away highly ranked St. Viator 8-0. The following week, they fell victim to a Mendel squad 12-7. But Fenwick was one to learn from their mistakes, for the following week Fenwick defeated a favored Mt. Carmel team 6-0. The touchdown was scored by John Rooney who ran back a recovered fumble for the length of the field. After this, the excellent defense shutout Mt. Carmel for three quarters. The following Sunday at Oak Park Stadium, the Friars were to face their most difficult opponent thus far. This team was Brother Rice.

After a tough defensive struggle, Brother Rice downed Fenwick 7-0 in the final seconds. The Friars record turned to 2-2, not a promising feature. Then something special happened. Everything came together: the new coach, the new plays, and the new team. Their awesome spirit took over and they proceeded to finish undefeated in the North Section. Defeating Loyola 32-20, Gordon Tech 30-6, Weber 12-7, DeLaSalle 27-6, and Leo 21-6, they swamped their opponents 122-45 in five games and they accomplished their goal. Then the Friars defeated Schurz in the State playoff competition, but fell to state runner up St. Laurence.

Without excellent coaching, none of this would have been possible. Coach Darning assisted by Don Sebestyen, Dave Hogan, and Don Huber put forth spectacular efforts. This spirited squad of 1979 boasted many outstanding individuals. Quarterback John Rooney and linebacker Joe Farnan made the second team All-League and first team All-Area. Pat O'Bryan, the north section's leading scorer, made first team All-League and first team All-North Section along with Tom Fitzpatrick. Center Ed Paras and guard Bill George were named to first team All-North Section and second team All-League. Rob Bonaccorsi, one of the finest fullbacks around, made the second team All-North Section along with Dave Koeller. Coach Darning was named Coach of the Year by the Suburban press and was asked to coach the East team in the State high school All-Star game. Something special. This was the motivation for one of the finest teams in the state, and certainly the most spirited.

## Second Place In Regional

For the 1979-80 Friar basketball squad, the season was one of steady improvement. Their record, 12-14, shows a season of off and on games, but with constant effort and display of their talent, the season culminated in a very fine second-place finish in the Morton East regional tournament.

In his inaugural season, Coach Jim Krema, varsity head coach, guided the club through lean times until more prosperous ones came about later in the season. Coach Krema was ably assisted by Coach Mike Skowronski, also in his first year at Fenwick.

After a 1-5 start, during which the Friars suffered discouraging defeats to Proviso East (87-43) and St. Joseph (93-64) but did not lose heart, the squad began to jell and the results were impressive.

*FAR ABOVE:* Co-captain, Jumpin' Jack Lattner pops for two points. *ABOVE:* John Rooney sets up the defense. *BELOW:* Fred Crockett banks in a shot against Notre Dame

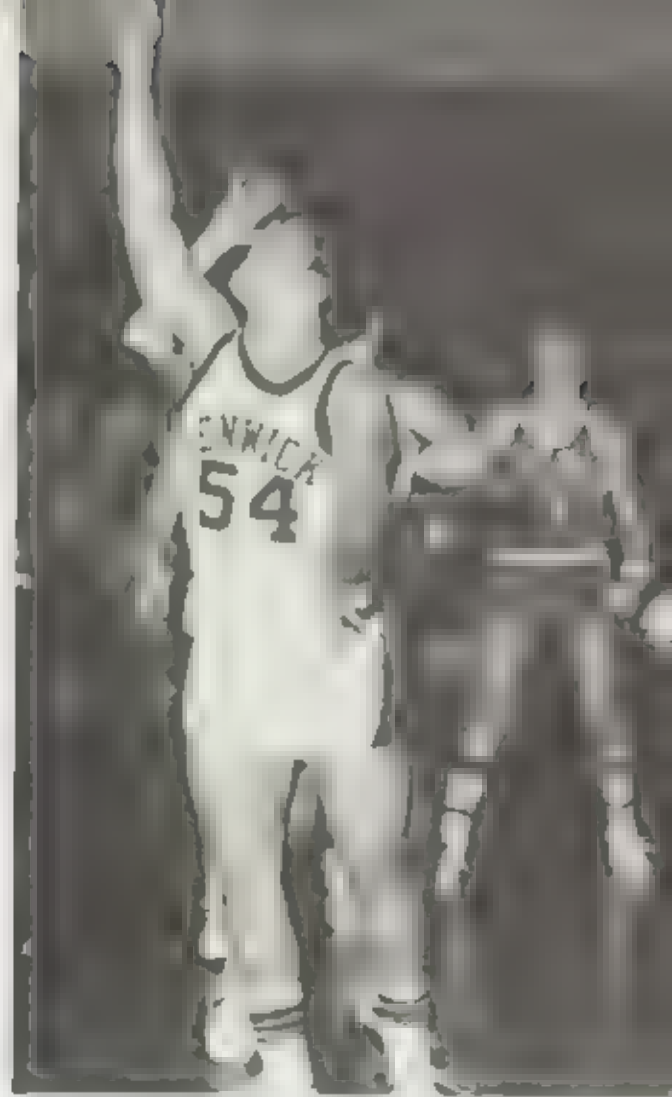

A five game winning streak was put together before Lyons Township snapped it in the second round of the Holiday Tournament (75-56). From then on, the Friars played solid basketball. A tough one-point loss to St. Rita a few weeks later did not discourage them, as they bounced back to win four of their next six games, including a 49-48 overtime win over Weber in their final home game of the regular season.

The finish in the Catholic League, 6-7, is truly not indicative of the very fine effort that was put forth. Indeed, the Fighting Friars made fine teams like St. Ignatius, Weber, DeLaSalle, Gordon Tech, and Brother Rice worry. Fenwick defeated St. Ignatius, Weber, and Brother Rice in very excellent games. Against DeLaSalle and Gordon Tech (both state quarter-finalists), the Friars provided great competition.

The season of non-conference games was also very exciting. The first game was against Westinghouse, who at the time was ranked in the top twenty. The Friars played along with them all the way, but suffered a disappointing loss in overtime. Against St. Patrick, also a top twenty team, the Friars performed well, but unfortunately lost. Against cross-town rivals, Oak Park, the Friars won easily.

The base of the superb talent lay in the following players: Jack Lattner, John Rooney, John Giannini, John Lynch, Fred Crockett, and Dan Cahill. Jack Lattner was clearly the outstanding player of the Friar squad in addition to being the fifth top scorer in the Catholic League. Jack was named All-Catholic League and All-Area.

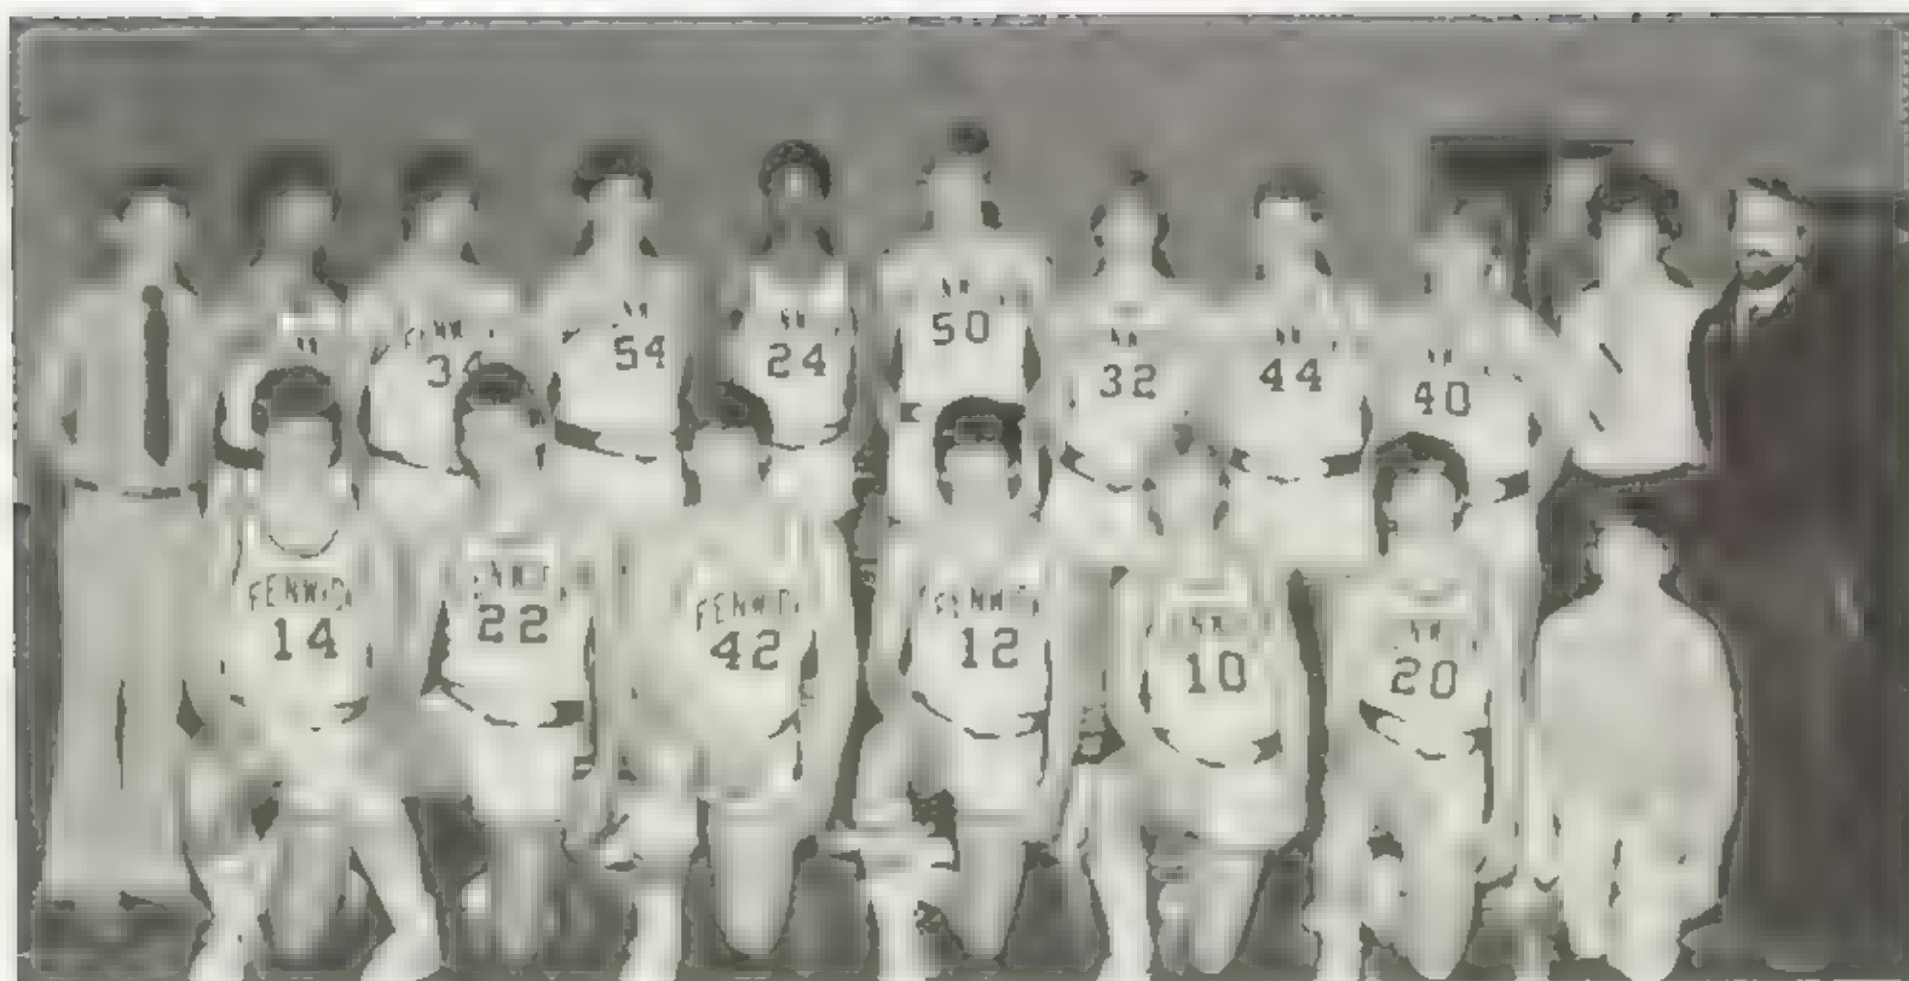

For Coach Jim Krema, the 1979-80 season was a year of promise, as many excellent players will be returning next year.

# Water Polo

At the start of the water polo season, Fenwick was not considered to be in the running for a state title. If the first game was to be any proof of that, then Fenwick didn't have much of a chance: Brother Rice 11, Fenwick 4. However, the Friars worked hard and learned how to play as a team. Fenwick proved that in their second game against Rice - a heartbreaker, in which Brother Rice won in the final minutes 9-8. The Friars went 8-4 for the season. However, in the Catholic League playoffs, after advancing to the semifinals, the Friars were beaten by Loyola and ended third. Three Friars, Co-captain Tim Barron, goalie Ken Lopez, and Paul Jenkins, were named ALL Catholic League during the playoffs.

# Swimming - Catholic League Champions

Once again the Friar swimmers had a successful year. The Friars, led by seniors Bob Uphues and Tim Barron, juniors Ken Koop, Paul Jenkins, and Mike Connelly, sophomores Matt McGuire and Dennis Henning, and freshmen Jeff Mackey and Joe Murphy, finished with an excellent record, the only dual meet loss was to Lovola. Fenwick got revenge, though, by beating Lovola in the Chicago Catholic League meet for the championship. In other important meets, namely, the Hinsdale South College Events, the Suburban District meet, and the State meet, the Friars finished third, first, and twelfth respectively. The Fenwick swim team impressed the League with quality performances.

# Cross Country

There are years, and there are great years. For the 1979 Friar cross-country team, it was most certainly a great one. Tremendous dedication coupled with hard work produced the 1979 Catholic League Champions. Excellent running was displayed during the rest of the season as well. Highlights of the season were: first place finishes at Notre Dame and Niles West and a second place finish at the Gordon Tech Invitational. Led by junior Matt Kipp and Captain James Montes, the team had the pleasure of being one of the finest in Fenwick's history. Seniors John Engbretson, Tom Stosur, Brian Thornton, Marty Lombardo, Ed Pacer, sophomore Bill Kipp, and junior Bob Juckiness also contributed greatly to the team's success. Many congratulations and thanks should also be awarded to Coach John Polka, one of the finest coaches in the area. The Friar's future looks bright with three lettermen returning next year and with the third place finish of the freshmen team in the Catholic League.

# Golf: Goes State

The Fenwick varsity golf team coached by Mr. Tom Leahy compiled the school's most impressive golf record. The Friars finished in a tie for first in the Arrowhead Classic, third in the Catholic League, second at districts, second at sectionals, and thirteenth in the state. The varsity finished the regular season 7-1, losing only to Loyola. Setting the pace for the Friars throughout most of the year was team captain, Paul Wheatland. In state competition Paul continued to lead the way by finishing fifth in the state with rounds of 74 and 78. This was the first time that any Catholic League team has qualified for state competition. The junior varsity also had a successful year finishing 6-1, losing to Loyola. The junior varsity was lead by Ed Kantor, Catholic League Medalist, and Jaime Picchietti who finished third in the Catholic League.

For the Hockey Friars it was a long season. The team fought its way to an overall record of 1-21-2. Although the final record would seem to indicate otherwise, the team play was characterized by exciting, hard hitting action. Under head coach Mark Ostapina the team found pride in their efforts. Coach Ostapina motivated the team right up the last buzzer.

Friar goaltender George Nottoli was named to the CCHL All Star team. Mark Giura was voted Most Valuable Player of the OPRF-Fenwick game. With a year of sound fundamentals behind them the Friars are looking forward to a much improved team on the ice next year.

# Bowling

After a tough season last year, the Varsity bowling team captured third place in its division helped by the coaching of Mr. Michael G. DePaldo. In addition to the third place finish, the varsity team won a number of awards: senior Mike Unti was named All Catholic League Bowler and rolled a high series, 628, in the Catholic All-Star tournament at the end of the season; junior Ken Green held the League's high game of 245. Seniors John Klaer and George Anton, with juniors Mike Klaer, Bob Oppenborn and Lloyd Pollard also contributed greatly to the team's success. The Junior Varsity placed fourth in its division. Randy Oppenborn, with the team's high average, cranked the JV League high game of 254.

## ACTIVITIES

# Student Council

It is the goal of every Student Council to act as the link between the student body and the faculty and to organize activities for the students. This year's Student Council can take pride in the fact that it achieved both of these goals and much more. The many members of the Council, under the leadership of Mike Troyke, worked hard all year to make the various events they organized successful.

The high standard of success for the rest of the year was set when the Fall Mixer proved to be one of the best in years, thanks to Bill Clements and Tim Carey. Following this first mixer, Spirit Week and the Homecoming Dance proved once again that Fenwick Spirit is truly infinite. Len Austrevich, Joel Teglia, and Bill Clements played major roles in the success of these activities. Other activities of the Council included organizing the Holiday Mixer, the St. Patrick's Mixer, Junior and Senior Prom, Conference '80, Open House, gym nights, the Big Brother program for incoming freshman and assisting with the annual school raffle. In view of the tremendous leadership demonstrated by the underclassmen, Fenwick can expect another great year during 1980-1981.

# Forensics

The Fenwick forensics teams again dominated the Chicago Catholic League by winning debate and speech tournaments. The debate team coached by Mr. Bostock, was lead by seniors Ed Slizewski and Bob Trojan, Sophomore Matt Carinto and junior Randy Gargas were also very successtul.

Mr. Arellano moderated the winning speech team. The team's backbone was seniors Len Austrevich, Jim Krag, Vitas Lanianskas, John Quirk, Ed Slizewski and Bob Trojan. Others who helped were Larry Cozzi, Matt Carinato, and Rich Enderle. In the future, the forensics teams expect to continue to be one of the most successful groups at Fenwick.

# Biology Club

The members of the Biology Club studied all facets of science this past year. The club enjoyed several speeches presented by visiting professors and participated in various worthwhile field trips. The Biology Club, moderated by Mr. Rudnik, is one of the largest clubs in the school. Every member has benefited from the group's activities.

# German Club

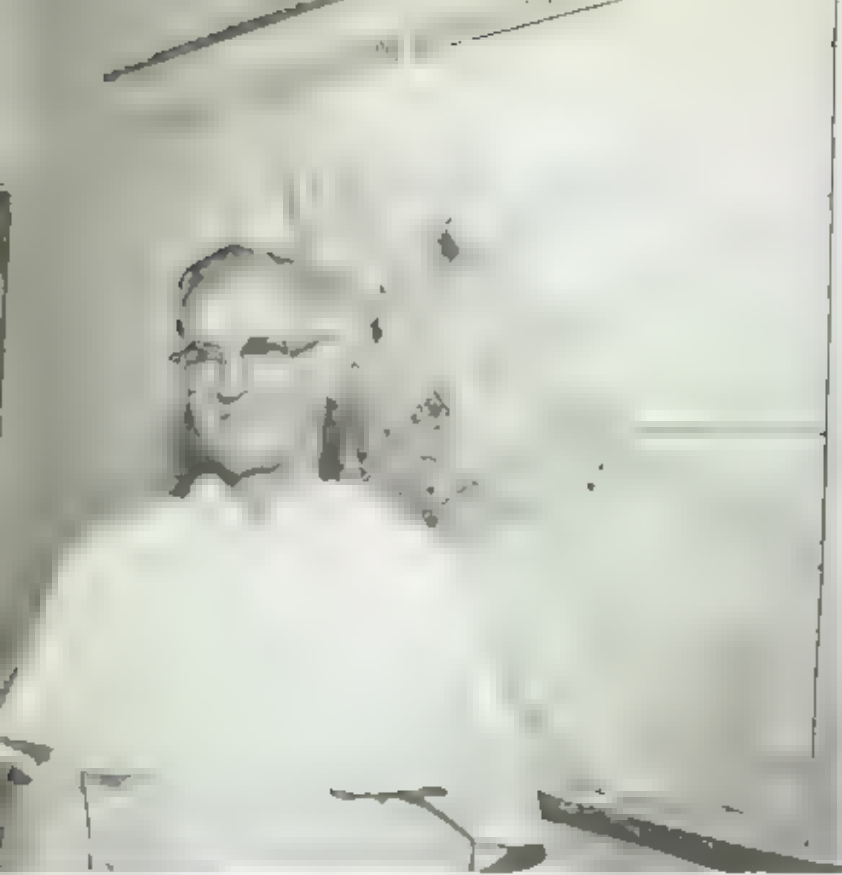

"Der beste Verein auf der Welt". This is the theme of the German Club, and it is the best club in the world. The club's objective is to relate the German language to the student in such a way that he receives cultural as well as academic enrichment.

This year welcomes Mr. Robert Shirer as its new moderator. The club executives are: President John Thornton, Treasurer Brian Thornton, Secretary Dave Koeller, and Vice President Mark Zelman. Through the efforts of these gentlemen, the German Club sponsored several activities among which were: German dinners, gym nights, and an excursion to "Oktoberfest".

# Latin Club

Possibly in prophetic anticipation of a regal school year, the Latin (Classics) Club discussed, and came upon, its present title: *Reges Romani*. Its president and several of the members asserted an interesting program for the year, realizing that the well being of a club depends on the inventiveness and resourcefulness of those concerned. The *Reges Romani*, in their traditional game with the German Club, destroyed the "Hun", 9-0. They were involved in promoting and facilitating the Open House, and a number of them proposed a plan to visit the Eternal City, Rome, at Easter. As a grand finale to the year, the Classics Club celebrated with a fine meal at an Italian restaurant.

# French Club

The French Club, in its second year, continued to have the great success it enjoyed in its first year. The club remains open to all students who study French. The club sponsored many events including a social with Trinity, lunches during the school lunch periods in which all participating members were allowed to speak only French while eating, and an exotic trip to Paris. With the continued efforts of moderator Sister Anne Schaefer, the French Club will certainly continue to prosper in the future.

# Spanish Club

Fenwick's Spanish Club engaged in many cultural, religious, and travel experiences. Under the leadership of Mr. Sochowski, the club participated in a pinata making contest at Christmas, a Spanish Mass, and a trip to Mexico supervised by Mr. Steven Matuszak. The club had one of the biggest memberships of any of the clubs at Fenwick.

# Lithuanian Club

The Lithuanian Club at Fenwick informs and enlightens its members about the cultures, life style and current events of Eastern Europe. Members heard guest speakers and enjoyed field trips to ethnic neighborhoods in Chicago. Every Christmas, a tree has been decorated in the chapel by the Lithuanian Club, along with the attendance at Mass on St. Casimir's feast day, the patron saint of Lithuania. Ms. Cirulis is the new moderator replacing Mr. Galla who had moderated the club for many years.

# Chess Club

This year the Chess Club enjoyed another productive season under the leadership of Mr. Louis Spitznagel. For the second year in a row, the Chess Club profitted from its peaceful atmosphere in the auditorium foyer. Without background distractions, the Chess Club perfected their superb playing schemes. Under the leadership of Mr. Spitznagel and team captain Fidencio Marbella, a four year veteran of the club, the team reached new heights in its playing ability.

# Senior Retreat

Once a month from October through April, approximately 25 seniors trooped up the long drive to the Friory. There they spent 30 hours in prayer and reflection making their Senior Retreat. It is an aptly named activity because each senior sibilities of everyday life. The retreatant was given time to meditate alone on his life which was about to take a new turn within the next few months. In addition, seniors could experience the Mass much more intimately than is normally the case. Prayer services in the morning and evening provided a chance to speak to the Lord together. A number of discussions were also held including one "Everything you always wanted to know but were afraid to ask" session. Fr. Butler, once again directed the Retreats working just as hard as ever to be both host and spiritual guide for this important event. Senior Retreat has always been an invaluable chance for reflection on where life is taking a student and has always been highly successful. This year was no exception.

# Spirit Week

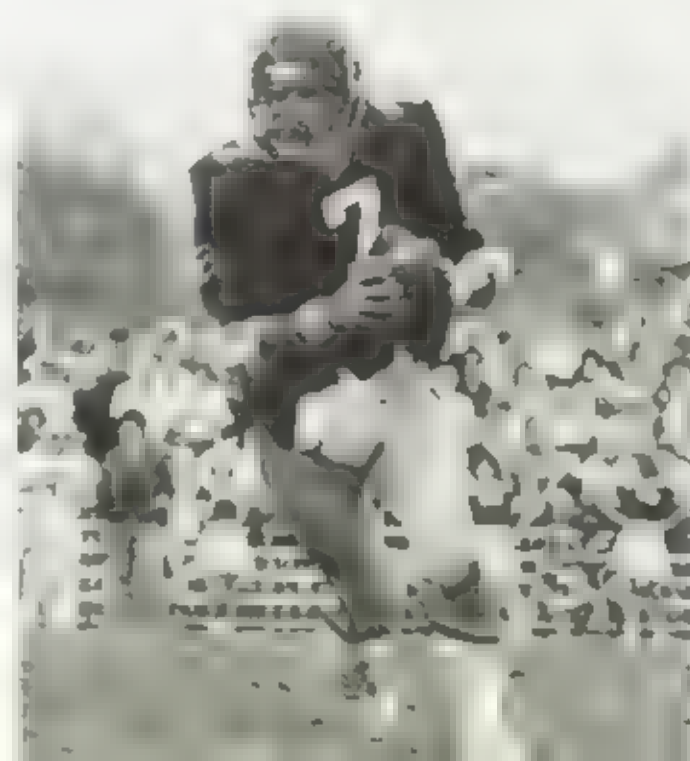

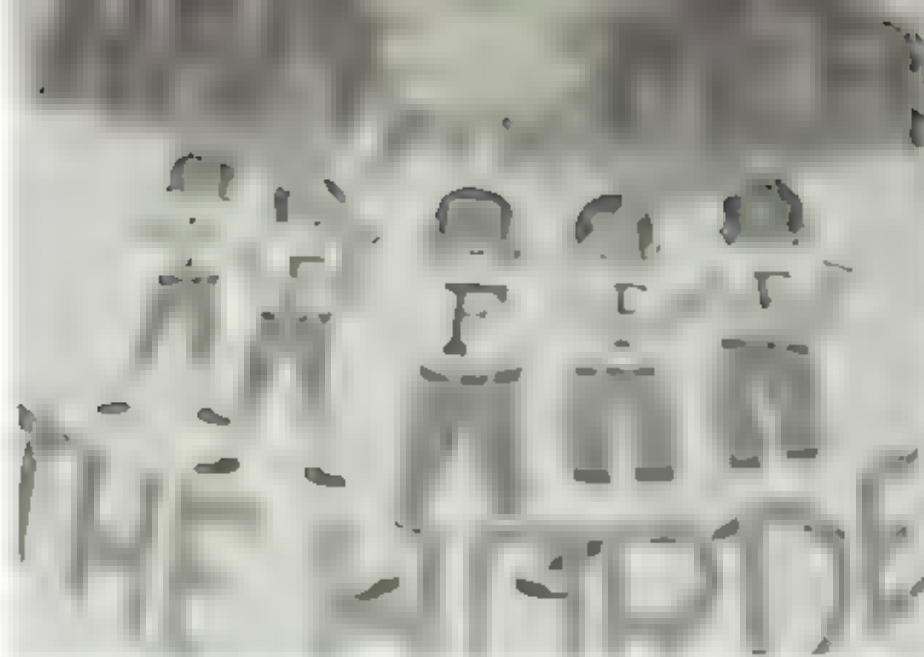

This year Fenwick began her second fifty years with a grand Homecoming celebration. With the help of Joel Teglia, Chairman for Homecoming and Len Austrevich head of Spirit Week, the days preceding the homecoming game proved to be quite successful. Each class dressed in special attire on their class day. Numerous competitions were conducted throughout the week that aided the students in winning prizes and cash for their classes. By the end of the week the senior class won all but one contest.

Silence day, the highlight of Spirit Week, began with a Mass. Silence was broken at 1:49 when Student Council President Mike Troyke fired the starting gun. Senior Len Austrevich led the Pep Rally. Gregg Gumbel Senior Sports Caster for NBC's Newscenter Five, spoke about Fenwick Spirit. Coach Jack Dering and co-captain Rob Bonaccorsi expressed thanks on behalf of the Fighting Friars of '79. All of Chicago received a taste of Friar Spirit through WLS-TV's coverage by Al Lerner on the six o'clock news.

The slogan appearing on the 32' poster designed by John Weisenburger and Perry Nigro spoke the truth. The Friars hammered the horde of Gordon Tech with a score of 12-7. After the game the annual homecoming dance hosted a record 231 couples, nearly doubling the previous year's attendance.

# Fathers' Club

Two of the most important organizations at Fenwick are the Mothers Club, moderated by Father Hren, and the Fathers' Club moderated by Father Dooley. These two groups organize many functions to raise money for the school and provide practical and recreational activities for the students and their families. The School Calendar, Communion Breakfast, Parent's Night, Corned Beet and Cabbage Dinner, the Annual Raffle, Days of Recollection, Health Clubs and Athletic Banquets are some of the events they manage. In addition, the Father's Club sponsored a Father-Son Night which featured Ray Meyer, coach of the De Paul University basketball team. All Fenwick students appreciate the dedication and the hard work of these organizations.
